

Appendix E

TRACS Fatal Error Messages and Codes..... E-1

Part 1: TRACS Tenant System Error Messages and Codes..... E-1

Part 2: TRACS Voucher/Payment System Error Messages and Codes..... E-13

The following codes have been discontinued: F0056, F0058, F0060, F0061, F0062, F0073, F0074, F0090, and F0094.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0001	Family record not processed	Resubmit certification with all family records.
F0002	MAT59 family record with relationship Head has different birth date, last name, and first name than current head of household in MAT59 certification	Head of household family record must be the same as the head of household for the certification.
F0004	The total non_SSN random numbers generated exceed the 999 limit.	TRACS failed to generate a unique “T” id number for the member. Resubmit the certification, preferably with SSNs.
F0005	Invalid SSN; SSN is not 9 digits. SSN is:____	Resubmit the certification with valid SSNs. The SSN cannot contain embedded blanks or alpha characters.
F0006	Invalid SSN; the SSN is not system generated and must have 9 numeric characters. SSN is:____	Resubmit the certification with the proper SSNs.
F0008	The reported SSN is a “pocketbook” SSN code. SSN is:____	The SSN submitted matches a know invalid SSN. Resubmit the certification with the correct SSN.
F0010	MAT 50059 certification not processed	
F0011	Previous head last name, or first name, or birth date is missing	Previous Head last name, first name and date of birth are all required when changing a household id. Resubmit the certification.
F0012	The TRACS generated “T” id was not found for previous certified household MAT 50059 certification record number:	A change in household id must be processed against an existing certification. Verify the previous head of household identification and resubmit the certification.
F0013	Current effective date is missing	Resubmit the transaction with the effective date.
F0014	Current head last name, or first name, or birth date is missing	Complete identification needed for family members. Confirm head of household data and resubmit the certification.
F0015	Random number error in validate. Number of trials to creating a unique TRACS id exceeded 999. MAT 50059 certification record number:____	TRACS’ algorithm to generate a unique “T” id failed. Resubmit the certification using SSNs for the members.
F0016	Owner signed date is greater than current date	Resubmit the certification with a valid owner signed date.
F0017	Unit transfer and gross rent changes not processed as MAT10; re-enter as MAT70 record	Full certifications cannot be submitted as Unit Transfers or Gross Rent Changes. Resubmit the change as a MAT70.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0018	Transaction type code is invalid	Resubmit the certification with the correct certification type code.
F0019	Converted From program type is invalid	Converted from program types are Rent Supplement (S) or RAP (R). Correct and resubmit the certification.
F0020	Transaction type is blank and must be completed	Certification Type Code must be valued with a valid certification type. Correct and resubmit the certification.
F0021	HUD-owned not currently being processed	HUD-Owned properties are handled by the Property Management System (PMS). If the property is not HUD-Owned, resubmit the certification with the proper subsidy type.
F0022	Subsidy type is invalid	Resubmit the certification with a valid subsidy type.
F0023	Project number is required	A project number is required for Section 236, BMIR, Rent Supplement, RAP, 202/162 PAC, 202 PRAC and 811 PRAC subsidy types.
F0024	Action processed code is not unit transfer	Unit transfer is not a valid Action Processed Code on a MAT 10 certification. Use a MAT 70 for a Unit Transfer.
F0025	Contract number required for projects with HAP, PAC, or PRAC contracts	Section 8, 202/162 PAC, 202 PRAC, and 811 PRAC subsidy types require a contract number.
F0026	Previous certification cannot be located in TRACS using previous information given	Correct the previous head of household identification data and resubmit the change in head of household certification.
F0027	Record number is:____	
F0028	Cannot process record; last name is missing	Last name is required for all family members.
F0029	Cannot process record; first name is missing	First name is required for all family members.
F0030	Cannot process record; birth date is missing	Date of birth is required for all family members.
F0031	Cannot process record; certification effective date is missing	A move out transaction cannot be processed without the certification effective date of the active certification for the tenant moving.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0032	Cannot process record; move-out date is missing	A move out transaction cannot be processed without a move out date.
F0033	Head of household not found in TRACS	Confirm the head of household and resubmit the transaction.
F0034	Move-out date out of range of certification date(s) Cert effective date is greater than move-out date: <moveout date> Or next recert date + 1 mo. less than move-out date: <moveout date>.	Confirm the move-out date submitted and/or the effective date and next recertification date of the certification against that which the move-out is being processed. Correct dates and resubmit if necessary.
F0035	Move-out action not processed	The move out transaction could not be processed. Correct and resubmit the transaction.
F0036	Cannot process record; no certification exists for this household in TRACS	Verify the certification identification data and resubmit the transaction.
F0039	Household record could not be found for record number:____	Confirm the household identification and resubmit the transaction.
F0040	Contract record could not be found for record number:____	
F0041	The certified household record was not found for ID:____	Correct the household identification and resubmit the transaction.
F0042	The assistance termination type was not found for ID:____	The Termination Type code is required in MAT65 records.
F0043	Termination date is required in a termination of assistance transaction.	Resubmit the Termination of Assistance transaction with an effective date of the termination.
F0044	The assistance termination type record was not found for household ID:____	Correct the Termination Type code and resubmit the transaction.
F0045	Household assistance termination record already exists for household ID:____	Assistance has already been terminated for this household.
F0046	Attempting to change a certification that is not current and active	The transaction was submitted for a historical certification.
F0047	Invalid transfer (change) date. Unit transfer/rent change not processed	The change date in the MAT70 transaction is invalid.
F0048	No value submitted for unit number or contract rent in MAT70.	Resubmit the MAT70 with the appropriate unit number and/or contract rent amount.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0049	Household already occupies unit; transfer not processed	The MAT70 attempted to transfer a family into a unit it already occupied. Possibly a duplicate MAT70 submission.
F0051	MAT70 project/contract number is not the same as the certification	MAT70 transactions cannot be used to modify contract and project numbers in certification records.
F0052	Project/contract number from current certification used to process MAT70	
F0053	Cannot process record; effective date is missing	Certification effective date is required to process a MAT70 against a specific certification.
F0054	Cannot process record; transfer date is missing	A MAT70 cannot be processed with out a change (transfer) date.
F0057	Matching effective date not found for valid TRACS-generated ID SSN	The TRACS generated id (T-id) submitted in the MAT70 matches a tenant T-id in TRACS; however, the certification effective date submitted for the tenant doesn't exist in TRACS.
F0059	Cannot process record due to matching TRACS-generated ID SSN and not matching certification	See F0057
F0063	Invalid SSN or non-unique TRACS generated id; certification failed	Correct the tenant identifier (SSN) and resubmit the transaction.
F0064	More than one family member designated as head of household	Correct the relationship codes in the family member records and resubmit the certification.
F0065	More than one family member designated as spouse	Correct the relationship codes in the family member records and resubmit the certification.
F0066	No qualifying family member with age 62 or older for Section 202 PRAC	The household must be an elderly household to qualify for Section 202 PRAC projects.
F0067	No qualifying handicap family member with age 18 or older for Section 811 PRAC	The household must include a qualifying handicapped/disabled member to qualify for a Section 811 PRAC project.
F0068	No qualifying handicap member with age 18 or older for Section 202/162 PAC	The household must include a qualifying handicapped/disabled member to qualify for a Section 202/162 PAC project.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0069	Certification type is 2; but subsidy type is not Section 8	Certification Type submitted is a transfer from Rent Supplement or RAP to Section 8, but the subsidy type submitted isn't Section 8. Correct the certification and resubmit.
F0070	Future effective date not allowed for a move-out transaction	Move out transactions cannot be submitted for a certification with a future certification effective date. Resubmit the move out transaction using the certification effective date of the certification that was active at the time of the move out.
F0071	Future move-out date not allowed for a move-out transaction	Move out transactions cannot be submitted anticipating a move out on a future date. Move outs are submitted after the fact. Resubmit the move out transaction after the tenant moves out.
F0072	Termination action not processed	
F0075	Effective date cannot be more than 90 days in advance of current date	Recertifications can be submitted up to 90-days before the certification effective date in the transaction. Resubmit the transaction within the 90-day advance submission window.
F0076	A move-in cannot have effective date greater than current date	Submit a move-in having an effective date that is not in the future.
F0077	A future certification cannot involve a head of certified household change	TRACS cannot accept a change in head of household with a certification that has a future certification effective date. Resubmit the change after its effective date or submit the change as a correction to the currently active certification.
F0084	Worksheet information was not submitted for a Section 236	The MAT10, Section 6 Worksheet Record is required for Section 236 certifications. Currently, this is the only vehicle for submitting Market Rent to TRACS.
F0085	Market rent amount for a Section 236 is zero	Zero is not a valid market rent. Correct the certification and resubmit it.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0086	Worksheet information was not submitted for a secondary subsidy type of 236	The MAT10, Section 6 Worksheet Record is required for certifications claiming a secondary Section 236 subsidy. Currently, this is the only vehicle for submitting Market Rent to TRACS. Correct and resubmit the certification.
F0087	Market rent amount for a secondary subsidy type of Section 236 is zero	Zero is not a valid market rent. Correct the certification and resubmit it.
F0089	Certification exists on the TRACS database	
F0091	MAT70 UT/GRC not processed - UT/GRC exists in the database	The MAT70 was a duplicate submission
F0092	MAT70 not processed - More than one MAT70 for this tenant in the same TRACS run	TRACS cannot process multiple MAT70s for the same tenant in the same nightly processing cycle. If the MAT70s are not duplicate submissions, resubmit the rejected MAT70.
F0093	More than one family member reports the same SSN	Multiple family records have been submitted under a single SSN. Each family member needs to obtain their own SSN. Then, resubmit the corrected certification.
F0096	Move-out exists in the TRACS database	The move out transaction submitted is apparently a duplicate submission
F0097	MAT65 term not processed - Term exists in the database	The termination of assistance transaction submitted is apparently a duplicate submission.
F0098	MAT65 term not processed - More than one MAT65 for this tenant in same run	TRACS cannot process multiple MAT65 submissions for the same tenant and certification effective date in the same production run. If this is not a duplicate submission, resubmit the rejected MAT65.
F0100	Previous head ID and effective date not in TRACS	The previous certification referenced is not in TRACS. Verify the previous name, birth date, SSN, and certification effective date.
F0102	Temporary ID submitted does not exist in TRACS	The TRACS generated identifier (T-id) submitted with the transaction is in error. Please confirm the T-id or make certain the correct name and birth date are used in the resubmission.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0103	Project number is not in the TRACS Project database.	Verify that correct project number was submitted on (re)certification. Your Field Office can correct project numbers in TRACS Contracts. Resubmit the (re)certification following directions.
F0104	Contract number is not accepted for Rent Supplement, RAP, Section 236, or BMIR.	Verify that correct subsidy type was submitted on (re)certification. Resubmit the (re)certification after removing the contract number or correcting the subsidy type.
F0105	Contract number is not in TRACS Contract database.	Verify that correct contract number was submitted on (re) certification. Your Field Office can correct project numbers in TRACS Contracts. Resubmit the (re) certification following directions.
F0106	RAP or Rent Supplement project number not in TRACS Project database	Verify that correct project number was submitted on (re) certification. Your Field Office can correct project numbers in TRACS Contracts. Resubmit the (re) certification following correction.
F0107	Effective date of certification is outside the valid effective date range of contract or project.	Verify that correct effective date was submitted. If the contract effective date in TRACS Contract is not current, contact your Field Office for a solution. Resubmit the (re) certification after the condition has been corrected.
F0109	The income code submitted is invalid.	Income codes EB, SSP, PA, and O became invalid on March 1, 1999. Resubmit the certification using the Income Codes published in 4350.3 CHG-27 and specified for the MAT10; Section 4 Income Record in this MAT User Guide.
F0110	No prior certification found in TRACS for MAT70 submitted	Submit baseline certification for household.
F0111	MAT70 previous contract number must match the contract number of the certification prior to the merged contract. Reported previous contract number: TRACS Previous contract number:	Resubmit MAT70 with the correct previous contract number.
F0113	Invalid project number submitted in MAT70	Resubmit MAT70 with valid project number.
F0114	Invalid contract number submitted in MAT70	Resubmit MAT70 with valid contract number.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0115	Invalid move out code submitted in MAT40	Resubmit MAT40 with valid move out code: 1, 2, 3, or 4.
F0116	Move out code is 4 but death date is blank.	Resubmit MAT40 with valid death date if move out code is 4.
F0117	Death date is filled but move out code is blank.	Resubmit MAT40 with move out code of 4 if valid death date is filled.
F0118	Move out date cannot be earlier than the death date.	Resubmit MAT40 with move out date equal to or later than death date.
F0123	Submitted household already established in TRACS. Occupied head SSN: <tenant number> Occupied unit number: <unit number> Occupied project number: <project number> Occupied contract number: <contract number>	Verify the values submitted on the move-in and resubmit the certification if necessary.
F0124	Both current contract number and current project number are required for subsidy type submitted.	Resubmit MAT70 with both current project and contract numbers if subsidy type is 7, 8, 9, or (1 with secondary subsidy type).
F0125	Current project number is required for the subsidy type submitted.	Resubmit MAT70 with current project number if subsidy type is 2, 3, 4, or 5.
F0126	Current contract number is required for the subsidy type submitted.	Resubmit MAT70 with current contract number if subsidy type is 1 without secondary subsidy type.
F0131	Previous contract number in MAT70 unit transfer does not match the household's contract number in TRACS. Reported previous contract number: TRACS previous contract number: Reported previous unit number:	Resubmit MAT70 unit transfer with the previous contract number matching the TRACS certification contract number.
F0132	Previous project number in MAT70 unit transfer does not match the household's project number in TRACS. Reported previous project number: TRACS previous project number: Reported previous unit number:	Resubmit MAT70 unit transfer with the previous project number matching the TRACS certification project number.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0133	Both previous project and previous contract numbers are required in the MAT70 for the subsidy type. Reported previous project number: Reported previous contract number: Reported previous unit number:	Resubmit MAT70 with both previous project and previous contract numbers if subsidy type is 7, 8, 9, or (1 with secondary subsidy type).
F0134	Initial certification submitted with effective date other than combined contract effective date. Combined effective date:	No action required since combined contract has been established for the household.
F0139	MAT10 previous contract number must match the contract number of the certification prior to the merged contract. Reported previous contract number: TRACS previous contract number:	Resubmit MAT10 with the previous contract number matching the contract number before the contract was merged.
F0140	No prior certification found in TRACS for MAT10 submitted with unit transfer.	Submit baseline certification for household.
F0141	Previous contract number in MAT10 does not match the household's contract number in TRACS. Reported previous contract number: TRACS previous contract number: Reported previous unit number:	Resubmit the MAT10 unit transfer with the correct contract number.
F0142	Previous project number in MAT10 unit transfer does not match the household's project number in TRACS. Reported previous project number: TRACS project number: Reported previous unit number:	Resubmit the MAT10 unit transfer with the correct project number.
F0143	Both previous project and previous contract numbers are required in the MAT10 UT for the subsidy type. Reported previous project number: Reported previous contract number: Reported previous unit number:	Resubmit the MAT10 with a project and contract number.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
F0144	Removed from TRACS. Replaced by discrepancy CE251	
F0145	Certification effective date must be unique unless the baseline indicator is “Y” or the certification is a correction.	Resubmit recertification with either a unique effective date or the baseline indicator set to “Y”.
F0146	Household must be terminated before an initial certification can be processed. Occupied unit number: Occupied project number: Occupied contract number:	Resubmit initial certification with the baseline indicator set to “Y” or submit a termination for the initial certification that currently exists in the database.
F0148	Previous unit number must not be submitted for MAT70 gross rent change.	Resubmit MAT70 gross rent change without previous unit number.
F0149	Previous project number must not be submitted for MAT70 gross rent change.	Resubmit MAT70 gross rent change without previous project number.
F0150	Previous contract number must not be submitted for MAT70 gross rent change.	Resubmit MAT70 gross rent change without previous contract number.
F0151	Previous unit number is required for MAT70 unit transfer.	Resubmit MAT70 unit transfer with previous unit number.
F0153	No prior certification found in TRACS for MAT40.	Submit baseline certification for household.
F0160	Future effective date MO/YR differs from voucher date.	The effective date and voucher (Month/Year)date must be the same in baseline certifications resubmitted with a future effective date. Resubmit the baseline certification with the appropriate dates.
F0161	Baseline certification contains expired effective date.	(Re)certifications with an effective date more than 13 months earlier than the current date cannot establish a baseline. Resubmit the certification with a valid effective date.
F0162	Baseline is not the current certification.	(Re)certifications with an effective date less than the tenant’s active effective date cannot establish a baseline. Resubmit the certification with a valid effective date.
FA001	No project number submitted when required by MAT15.	Resubmit MAT15 with required project number.
FA002	Project number submitted in MAT15 is not in TRACS.	Resubmit MAT15 with valid project number.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
FA003	No contract number submitted.	Resubmit MAT15 with required contract number.
FA004	Contract number submitted in MAT15 is not in TRACS.	Resubmit MAT15 with valid contract number.
FA005	Unit number not submitted in unit address MAT15.	Resubmit MAT15 with unit number.
FA006	Invalid subsidy type for unit address MAT15.	Resubmit MAT15 with valid subsidy type.
FA007	Invalid subsidy type for mailing address MAT15.	Resubmit MAT15 with valid subsidy type.
FA008	Invalid address type code.	Resubmit MAT15 with valid address type code.
FA009	Invalid transaction type code.	Resubmit MAT15 with valid transaction type code.
FA010	Missing first address line in MAT15.	Resubmit MAT15 with required address.
FA011	Missing city name in MAT15.	Resubmit MAT15 with city name.
FA012	No head of household ID submitted for mailing address.	Resubmit MAT15 with head of household ID.
FA013	TRACS "T-ID" invalid in MAT15.	Resubmit MAT15 with valid T-ID.
FA014	Address load failed - ZIP-5 code missing in MAT15.	Resubmit MAT15 load record with ZIP code.
FA015	Address load failed - State code invalid.	Resubmit MAT15 load record with valid state.
FA016	Address change failed - state code invalid.	Resubmit MAT15 change record with valid state code.
FA017	Head of household submitted not in TRACS.	Resubmit MAT15 with valid head of household ID.
FA018	Previous unit number not submitted in MAT15 unit address change.	Resubmit MAT15 with previous unit number.
FA019	Address delete failed - unmatched project number.	Resubmit MAT15 delete record with correct project number.
FA020	Address delete failed - unmatched contract number.	Resubmit MAT15 delete record with correct contract number.
FA021	Address delete failed - unmatched previous unit number.	Resubmit MAT15 delete record with correct previous unit number.
FA022	Mailing address change failed - Head of household ID not found.	Resubmit MAT15 change record with valid head of household ID.
FA023	Mailing address delete failed - Head of household ID not found.	Resubmit MAT15 delete record with valid head of household ID.

Part 1: TRACS Tenant System Error Messages and Codes

Code	Description	Recommended Solution
FA024	No date of birth submitted in MAT15 address record.	Resubmit MAT15 with date of birth.
FA025	State code missing.	Resubmit MAT15 with state code.
FA026	ZIP-5 code missing	Resubmit MAT15 with ZIP code.
FA027	If submitted head ID is blank, submitted subsidy type must be 0 (zero).	Resubmit MAT15 with head ID blank or filled and appropriate subsidy type.
FA028	No unit address found for MAT15 submitted.	No user action required.
HQ123	HQ initiated move-out processed for household.	Submitted move-in/initial certification triggered a headquarters initiated move-out from the tenant's prior unit. TRACS derived the move-out date from the submitted move-in date minus one (1) day. Submit a correction to the move-out if the date is incorrect.
HQ180	HQ termination processed for expired certification Prior Recertification Date: <date> Resubmission Expiration Date: <date>	Annual recertifications submitted later than the next recertification date plus one (1) month are rejected with a headquarters termination. Submit an initial certification (IC) to reestablish the tenant in TRACS.

Part 2: TRACS Voucher/Payment System Fatal Error Messages and Codes

Code	Description	Recommended Solution
VF001	MAT30 voucher not processed	This is a descriptive message that accompanies other fatal error messages.
VF002	Subsidy type is invalid	The subsidy type submitted in the MAT30 is invalid. Correct and resubmit the voucher.
VF003	Contract number required for projects with HAP, PAC or PRAC contracts	Section 8, Section 202/162 PAC, Section 202 PRAC and Section 811 PRAC subsidy types require a contract number. Resubmit the voucher with the correct contract number or subsidy type.
VF004	Project number required for RENT SUP, RAP, PAC, and PRAC subsidy types	Vouchers for Rent Supplement, RAP, Section 202/162 PAC, Section 202 PRAC and Section 811 PRAC subsidy types require a project number. Resubmit the voucher with the correct project number or subsidy type.
VF005	Voucher month is a duplicate transmission	The voucher has already been submitted to TRACS. If this is a correction, resubmit as a correction.
VF006	Voucher is not a resubmission; voucher month already exists in TRACS database	Only one original voucher for a project/contract can be submitted for a voucher month. If this was an attempt to correct a previously submitted original voucher that has not been paid , resubmit the voucher using the voucher id provided in the acknowledgment for the original voucher.
VF007	Voucher resubmission is a duplicate transmission	The voucher correction has already been submitted to TRACS. If this is a further correction, change the transmission date and time in the MAT submission and resubmit the transaction.
VF008	Voucher month or project/contract does not exist in TRACS for correction	The voucher, as described in the correction submitted, doesn't exist in TRACS. Confirm that the correction transaction, as submitted to TRACS, has the correct project and/or contract number, voucher month, and voucher id.
VF009	Owner signed date is greater than current date	The owner signed date on the voucher cannot be a date following the date the voucher was transmitted to TRACS. Correct the date and resubmit the voucher.
VF010	The sum of the voucher summary line items is not equal to total voucher amount	The voucher is not arithmetically correct. Recalculate the voucher and resubmit it.
VF011	Miscellaneous request type is invalid; resubmit with valid request type	The valid codes are with the MAT30; Section 6 record description in this MAT User's Guide.

Part 2: TRACS Voucher/Payment System Fatal Error Messages and Codes

Code	Description	Recommended Solution
VF013	Original voucher ID is required for request for balance of outstanding funds	Resubmit the request for funds using the voucher id assigned to the voucher on which the funds were originally deferred.
VF014	The original voucher for request of outstanding funds does not exist in TRACS	Correct the voucher id submitted with the request for funds, and resubmit the voucher.
VF015	Voucher month or project/contract does not exist in TRACS for deletion	The voucher the MAT31 was intended to delete cannot be identified with the information submitted. Correct and resubmit the MAT31.
VF016	Voucher delete log record is a duplicate transmission	The MAT31 is a duplicate transmission. The MAT30 has been deleted.
VF017	MAT31 voucher delete log not processed	
VF018	Voucher submitted 31 days prior to voucher month	Resubmit the voucher within 31 days of the voucher month.
VF019	Voucher submitted prior to the voucher month	See VF018
VF020	Special claim type is invalid	See the MAT30; Section 5 record description in this MAT User Guide for the acceptable special claim codes.
VF021	There is an RQBL transaction against the voucher	
VF022	Invalid contract number	The contract number submitted does not match an active contract in the TRACS database. Correct the contract number and resubmit.
VF023	Invalid project number	The project number submitted does not match an active project in the TRACS database. Correct the project number and resubmit.
VF024	Deferred payment amount requested is greater than the voucher balance	Correct the deferred balance requested and resubmit the voucher.
VF025	Voucher submitted for AHAP, APAC, or APRAC. No HAP, PAC, or PRAC in TRACS	TRACS recognizes the application for the contract, but the executed contract is not in TRACS. Resubmit the voucher after confirming with the Field Office that the contract has been entered into TRACS.
VF026	Deferred payment requested exceeds total voucher amount	Recalculate the amount of the deferred request and resubmit.
VF027	MAT30 correction submitted after the voucher was paid	Submit adjustment on the next voucher.
VF028	MAT31 voucher deletion submitted after voucher was paid	Submit adjustment on the next voucher.

Part 2: TRACS Voucher/Payment System Fatal Error Messages and Codes

Code	Description	Recommended Solution
VF029	Claim ID submitted with invalid format	Resubmit with the area/state office code supplied by the HUD field office approving the special claim in the first 4 positions.
VF030	Claim ID must be submitted with an approved special claim	Resubmit with the Claim ID provided by the Field Office.
VF031	Voucher ID (submitted with a correction) does not exist in TRACS	Resubmit with the correct Voucher ID.
VF032	Voucher ID (submitted with a delete voucher) does not exist in TRACS	Resubmit with a corrected Voucher ID.
VF033	Project and contract numbers are not a valid combination	The project number and the contract number are valid, but they are not a valid combination or the HUD Field Office has not associated the contract with the project. Resubmit with valid project and contract number combination after the Field Office has validated that the contract has been associated with the project.
VF034	Transactions cannot be processed while a deletion or correction is pending	Resubmit the voucher after reviewing the voucher status message for the correction or deletion.
VF035	Regular payments requests cannot be accepted for terminated contracts	The contract number against which the voucher is requesting regular payment has been terminated. Adjustments, special claims, and miscellaneous accounting transactions may be paid, but not regular payments.
VF036	Adjustment/Miscellaneous Request submitted for period more than 3 months after contract termination	Adjustments and miscellaneous accounting transactions requesting payment must be submitted for a voucher period within three months of contract termination.
VF037	Special claim for period more than 12 months after contract termination	Special claim requests must be submitted within 12 months of contract termination.
VF038	Adjustment/Miscellaneous Request received more than 3 months after contract termination	TRACS must receive the payment requests within three months of contract termination.
VF039	Special claim received more than 12 months after contract termination	TRACS must receive the special claim request within 12 months of the contract termination.
